

THE VANDALIA VOICE

October 2025- Issue 9

What's new?

In remembrance on 9-11 our village president and office assistant ran 110 flights of stairs in the Notre Dame football stadium!

Vandalia Village Blessing box is located across from the Vandalia Village Hall. The blessing box is the perfect place to donate canned food, bread, box food, powdered milk, juice, formula, diapers, and hygiene items.

New Community Safety Resource in Vandalia

The Village of Vandalia is committed to looking out for one another, and we're excited to announce a new step in that mission: a **Narcan** (naloxone) box has been installed in front of Village Hall. Narcan is a safe, easy-to-use medication that can reverse the effects of an opioid overdose and restore breathing within minutes. Having it available in a public space means that help is never far away in the event of an emergency. Free for everyone — no questions asked. Available 24/7 — day or night. Simple to use — clear instructions are included. This resource is here for our entire community. Whether it's a friend, a neighbor, or a passerby in crisis, access to Narcan can make the difference between life and death. By placing this box at Village Hall, we're making sure lifesaving help is always close at hand. We encourage you to share this information with your family, friends, and neighbors so everyone knows where to find it. Together, we can strengthen the safety net that protects Vandalia and show that we care for each and every member of our community. Location: In front of Village Hall, Vandalia, MI. Thank you for helping us build a safer, healthier, and more supportive Vandalia.

The Village of Vandalia invites you to our Annual Trunk-or-Treat & Fall Festival! Join us for an evening of family-friendly fun, featuring a costume contest, pumpkin decorating, hot chocolate, and more. Mark your calendars—we look forward to celebrating with you!

Dear Village Residents,
I am pleased to announce our annual Trunk or Treat event, a cherished community tradition. Join us for an evening of spirited fun, engaging activities, and camaraderie as we come together to celebrate. This is a prime opportunity to connect with neighbors and create lasting memories. We look forward to seeing strong participation from our entire community.

Additionally, leaf pickup season is approaching. The Village Department of Public Works will commence late October, early November when adequate leaves have fallen. The date typically designated by Superintendent Earl. Residents are encouraged to begin placing leaves curbside in preparation for a timely and efficient pickup. Let's work together to maintain the pride and appearance of our village.

Sincerely,
Evan Hickman
Village President
